Product features

Mounting
To screw

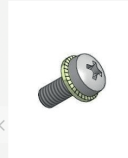

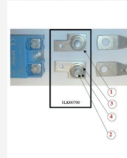

Application
Heating elements (AC-51)
Incandescent light bulbs and infrared lamps (AC-55a)

Description
90A/24-600Vac/Ctrl 15-32Vac/dc/Led

Product Details

Specifications	Single phase SSR - Zero cross
Thyristor rating	90A
Max. switching current (A)	90A
Type of mounting	To screw
Number of poles	Single phase
Function	AC on/off
Switching voltage	24-600VAC
Control voltage	15-32VAC
Standards	CE CSA EAC UKCA cURus
Features	75A/24-600Vac/Ctrl 15-32Vac/dc/Led
Application	Heating elements (AC-51) Incandescent light bulbs and infrared lamps (AC-55a)
Product range	S09
